Additional activities	Physical Literacy/ Outdoors	<p>Pillow Toss: Start with a pillow on the ground between your feet. Pick it up off the ground as if it were a super heavy sack of potatoes, engaging your legs and core. Bend your knees deep as you pick it up, then swing your arms to throw it as high as you can above your head (be sure to check for sprinklers, fire alarms, light fixtures). Catch it and bring it back to the ground, then repeat.</p>	<p>Human Bop-It https://phecanada.ca/sites/default/files/content/docs/Home%20Learning%20Resource/K-3/Physical%20Education/K-3%20PE_Human%20Bop%20It.pdf</p>	<p>Play a game of Simon Says with a family member. If you are Simon, try say as many body parts as possible in French that you can remember.</p>	<p>Mirror image: Stand facing a family member arms distance apart. Pretend that you are looking into a mirror – the person standing opposite you has now become your mirror image. Decide who will lead and who will follow. The leader can move in any way they choose without touching their partner, and the follower has to try to copy it! The sillier and trickier the better. After a few minutes, switch roles. Variations: Turn on some music and make it a mirror-image dance party</p>

					or increase the challenge by playing the game standing on one leg.

Green = by themselves **Blue** = with some support at times **Pink** = with support/ a person to play with

We would like to offer a biweekly choice board to provide you with some extra activities if you are interested, especially for those who are choosing not to come to school at this time. Please do not feel any pressure to complete these, they are just available to you if you are looking for additional educational activities for your child.

*Choose what works for your family. You can complete all the activities throughout the week, you can complete an activity more than once, you can choose not to do some activities. You can do them in order or jump around - point is, **stress-free “play” learning is the goal!***

*If you choose only one or two activities a day, we encourage you to start with the ones in the **“Try these activities first!”** sections. If you are looking for more, try the **“Additional Activities”** sections. *Many of these skills are transferable from English to French. Do this in whichever language you choose.*
