Additional activities	Physical Literacy/ Outdoors	<p>Crab Carry: Teach your child how to walk like a crab by placing their palms and feet to the floor while raising their stomach up to face the sky. Staying in that pose, let them see how long they can balance something like a bean bag on their belly. Crab races are also another fun option.</p>	<p>Balloon Volleyball: Make a net by tying a piece of yarn from one chair to another. Then blow up a balloon and start practicing those serving skills! Change things up a bit by kicking or head-bumping the balloon.</p>	<p>Bookworm Workout: Pick a book that has a word that's often repeated. For example, choose the word "hat" if you're reading <i>The Cat in the Hat</i>. Every time the word comes up in the story, have your child do a jumping jack.</p>	<p>Hallway Soccer: You don't need a backyard to play a game of soccer. Start by setting up a net on opposite ends of the hallway by placing some masking tape on the floor. After dividing into teams, grab a small plastic ball and let the fun begin.</p>

	Kindness/ Responsibility/ Community/ Social Learning	<p>New Year's Resolutions: Help your child come up with one goal to learn something new for the New Year. It could be something he or she hasn't done yet but is willing to try. Some examples are:</p> <ul style="list-style-type: none"> • Learning to tie their shoes • Learning to ride a bike • Learning to spell their last name 	<p>How to Make Good Choices: Mindfulness for Kids Cosmic Kids with Jamie</p> <p>https://www.youtube.com/watch?v=6cxt_Ki4GSo</p>	<p>Watch Cara's Kindness on <i>Epic!</i> You can find it in the <i>French Kindergarten</i> folder.</p>	<p>Positive Self-Talk: Help your child brainstorm positive messages and affirmations that they can share with themselves.</p> <p>https://phecanada.ca/sites/default/files/content/docs/Home%20Learning%20Resource/K-3/Emotional%20Well-Being/K-3%20EW%20Round%20_Power%20of%20Positive%20Self-Talk.pdf</p>

Green = by themselves **Blue** = with some support at times **Pink** = with support/ a person to play with

We would like to offer a biweekly choice board to provide you with some extra activities if you are interested, especially for those who are choosing not to come to school at this time. Please do not feel any pressure to complete these, they are just available to you if you are looking for additional educational activities for your child.

*Choose what works for your family. You can complete all the activities throughout the week, you can complete an activity more than once, you can choose not to do some activities. You can do them in order or jump around - point is, **stress-free "play" learning is the goal!***

*If you choose only one or two activities a day, we encourage you to start with the ones in the **"Try these activities first!"** sections. If you are looking for more, try the **"Additional Activities"** sections. *Many of these skills are transferable from English to French. Do this in whichever language you choose.*
